

PRESS RELEASE

FREE LUNCH HOUR SEMINAR

The South Pacific Stock Exchange is conducting another free lunch hour investment seminar in Suva. This is a second seminar of this kind this year in the central division. People who had not been able to avail themselves and participate in the previous seminar in Suva are now being given another chance to attend this distinctive event and learn about the fundamentals of share market investing. The Exchange also feels that it is an ideal time to create more awareness and publicity about the stock market so that people can focus more on saving and investing as opposed to consumption and revisit their investment alternatives.

Participants will be able to enquire on the aspects of investing in shares and receive fundamental analytical advice from the licensed broker representatives present at this seminar. A quick look at the annualised returns from the listed companies over a span of five years will also be illustrated. The presentation by the Exchange will mostly entail educational guidelines on how to become a successful investor, risks and returns and other fundamentals of share market investing followed by a session of questions and answers.

The stipulated venue of the seminar is at the **SPSE Trading Floor** in Suva on 24th June 2010. This will be a free one-hour seminar commencing at 1pm.

Should you require any further information on the issue, please do not hesitate to contact us.
