PRESS RELEASE

RB Patel Group Ltd a 100% Fijian listed company is proud to open its 11th retail supermarket in Fiji. Lami has been one of the towns that RB Patel have wanted to be a part of and we feel that we have achieved another milestone in our efforts to bring value for money to our customers in Lami.

RB Patel has worked hand in hand with the Lami Town Council (LTC) and Suvavou and Lami Villages to ensure that we are seen as part of the town's future. Our reception by the LTC has always been very positive and has encouraged us immensely in this venture.

We have also worked closely with the Suvavou & Lami Village people and have offered priority employment opportunities together with business opportunities such as security services and taxi base and will look at other opportunities as they arise. We believe that working with the Lami community is the best way to foster a close relationship.

We are also looking at ways in which we can allow social groups within the Lami area to use the ample space we have for fundraising activities together with social activities.

Organisations should feel free to seek our assistance if they require space for such activities or events.

The Lami Complex is a very modern one and reflects the planning that went into the store during the early stages of the project. The supermarket is very spacious and well laid out for the convenience of the shoppers. RB Patel HarbourPoint will cater for residents of Lami and all the way to Pacific Harbour.

RB Patel's promise to customers is "Save money, Save time, Great range". We pride ourselves in providing the shoppers with the best value-for-money experience. This is always a promise from us.
