

Chief Executive Officer

The South Pacific Stock Exchange (SPSE) is seeking an effective and dynamic Chief Executive Officer responsible for leading, directing and supervising the operational activities of the SPSE group.

The SPSE is the only licensed securities exchange in the South Pacific and is licensed under the 2015 Companies Act of Fiji. SPSE facilitates mobilisation of funds through capital raising in the primary market and provides an effective, fair and transparent platform for the trading of securities in the secondary market. Through a subsidiary, Central Share Registry Limited, SPSE also handles all the registry matters for most of the listed companies. With a market capitalisation of over FJD1 billion, SPSE is about to enter an exciting new phase in its development which presents a challenging but rewarding time to lead this team.

This is an exciting opportunity and high profile position requiring a person with capital markets knowledge and experience, proven leadership abilities including excellent interpersonal and communication skills, a sound understanding of finance/economics, business administration and a commitment to performance delivery.

Key responsibilities include:

- general oversight of all SPSE operational activities to ensure the smooth and efficient functioning of the SPSE;
- to report to the Board of SPSE on a regular basis including suggestions likely to facilitate, improve and further develop SPSE's role and function;
- to ensure all regulatory and compliance matters are appropriately undertaken;
- to effectively manage SPSE's human and financial resources;
- to effectively market SPSE in Fiji and the region; and
- to maintain positive public relations with shareholders, business clients and the wider community.

Applicants should either hold postgraduate qualification, preferably at a Masters level, or a recognised degree with relevant postgraduate diploma and a minimum of six years appropriate work experience including at least three years at a managerial level.

An attractive remuneration package with benefits including performance based bonus will be negotiated with the successful applicant in line with the applicant's qualifications and previous experience.
