RB Patel Group Limited

PRESS RELEASE

RB Patel Group Limited is pleased to announce that its Board has declared a Final Interim Dividend of 10 cents per share to be paid on 24th August 2012. This brings the total dividends for the year to 14 cents.

Company Chairman, Mr Padam Raj Lala, emphasised that this will be the fifth consecutive year the company has maintained its dividend at 14 cents per share.

The company's sales revenue increased to \$93,678,494 from \$92,991,969 last year, an increase of 0.74%. Gross margin at \$17,077,738 is down from \$17,609,467 last year, a decrease of 3%. Making the announcement today, Mr Padam Raj Lala said "The results (unaudited) are considerably optimistic given the local and global economic and financial conditions".

"The company has performed considerably better in the second half of the year and this is evident in a comparison between the six monthly and full year's trading results" Mr Lala added.

"As we have stated earlier, the subdued economic conditions, continuing increases in the cost of doing business and the restriction on margins imposed by the Fiji Commerce Commission have impacted on the profitability of the company" Mr Lala noted.
